

Figure 2

FIG. 3 is a cross-sectional view of the apparatus of FIG. 1, taken along the line 3-3 of FIG. 1, showing the internal components of the apparatus, including the pump, valves, and piping.

Figure 3

Figure 5

FIG. 7 is a cross-sectional view of the apparatus of FIG. 1, taken along the line 7-7 of FIG. 1, showing the internal components of the apparatus, including the pump, the motor, the control system, and the various valves and pipes.

Figure 7

FIG. 8 is a schematic diagram of a mechanical system, showing a cross-sectional view of a device with various components labeled with reference numerals.

Figure 8

Figure 9

FIG. 10 is a cross-sectional view of the device in a closed position, showing the internal components and the sealing mechanism.

Figure 10

FIG. 12 is a schematic diagram of a hydraulic system for a machine, showing a pump, a motor, and various valves and pipes.
